

Thank you for your interest in Custom Covers. Custom Covers are the best way to brand the information for YOUR business, offering a premium product at value pricing.

To get started, read on!

ELECTRONIC FILES

are required to print your custom images. The files can be provided by you or created by us. If you prefer to source graphic design from your own location, please pass the following information on to your graphic designer:

COMPLETED COVER SPECS:

Flat size: 15.354 x 7.677

Page size: 7,677 x 7.677

Ink: cmyk/cmyk (please make sure file does not contain RGB images)

Resolution: minimum 300 dpi

Bleeds are available at no extra charge, just make sure your file allows for bleeds

(1/8" over minimum) and crop marks are included in the file.

We would appreciate BOTH vector art files and a high res pdf. Please include all fonts and graphics.

Mail art files and any additional materials for color matching to

lutzjoerg@web.de

GRAPHIC DESIGN SERVICES AVAILABLE THROUGH

Stillwater Printing Co.

1815 South Greeley Street

Stillwater MN 55082

mrohl@stillwaterprinting.com

Once we have the artwork, we'll get you a proof for final approval.

Nothing will be printed without your official go-ahead.

We offer graphic design at \$75 per hour.

Thank you for considering a Custom Cover.
